Dear Dean,

I am very grateful for your interest in our work, your help in getting the meeting publicity off the ground was deeply appreciated by me. There is no doubt in my mind that it was in large part responsible for the success of the meeting.

Sue and I treasure highly your friendship. I will always be thankful for the close association that I had with you during my first years of located work. I feel sure that the principles in which you believe will become just as important in my own life and activities.

I am in desperate need of a Dayton telephone directory. If at all possible I would appreciate your sending me one. I will be happy to purchase it and pay the necessary postage for mailing it, or to have you bring it within the next few weeks. If you can fulfill this request, I will once more be deeply indebted to you.

Fraternally yours,

John Allen Chalk
